BULLETIN #14

August, 1905.

Advance offer of Rare seeds by

D. H. Andrews, Boulder, Colorado, U.S.A.

Orders accepted subject to weather and crop conditions and our ability to collect. Order as early as possible to avoid shortage. Terms as usual, seeds will be sent by mail to any address, postage charged at cost. PRICE PER "TRADE PACKET" will be found in our descriptive Catalogue, enclosed herewith or mailed upon request. All seeds are clean, except as noted; d.b. = dried berries, etc.

Price per 1/8 Oz., Ounce, Pound.

SEEDS OF TREES AND SHRUBS

All our seeds are gathered when fully ripe, and are dried in the shade with a good circulation of air: they are then cleaned and stored in a cool place away from artificial heat or dampness; we claim for them the highest possible vitality, and reports confirm our belief. (d.b.) indicates dried berries, all others cleaned.

Price per Ounce, pound.

Acer glabrum	\$0.15	\$1.25
